

## Georgia Children's Chorus Internship Program

### INTERNSHIP PROGRAM

As integral members of the Georgia Children's Chorus (GCC) team, our interns learn skills for potential careers in music education through a combination of practical work experience, personal projects, and mentorship. GCC internships are unpaid and run concurrent with the academic semester schedule. We prefer interns to work with us for our entire season (both fall and spring semesters) but encourage candidates who are available to assist for only a semester to apply.

### To Apply for an Internship:

Please submit a cover letter, resume, and internship application to [gcc@uga.edu](mailto:gcc@uga.edu). For additional information, please contact 706-542-8711.

### Internship responsibilities include:

#### MUSIC EDUCATION

Interns can expect to play an integral role as part of GCC's artistic team. Our university interns play many roles in our organization, from assisting in classes, leading games and activities, and helping with organization and logistics. Interns assist with one of our choir rehearsals and with our self-produced concerts and public appearances.
